DECORATIVE
CONCRETE
SOLUTIONS

Ferrari World Abu Dhabi

The CLASSIC and SIMPLE ELEGANCE of concrete. **PaveCrete Colored Concrete** is a decorative cast in-situ flooring solution for new concrete floors. Integrally colored with *PaveCrete 500 Integral Color for Concrete* or surface colored with *PaveCrete 200 Premium Color Hardener* for additional abrasion resistance, the concrete is trowelled to a smooth finish to produce a highly appealing and hygienic surface. Seal with *CCC A-Z Super Sealer* or *A-Z Mega Sealer* to protect the surface against staining and enhance the rich and variegated color effects.

VERSATILE... available in 40 standard colors.

DURABLE... increase the abrasion resistance of concrete three folds with PaveCrete 200 Premium Color Hardner.

EASY TO MAINTAIN... sealed with CCC's high performance sealers for stain resistance and water repellency.
