A CLASSIC BEAUTY RENEWED

With TopCrete 720, the ancient art of terrazzo has been renewed and improved with modern material technology. Based on advanced hydraulic binders modified with redispersible polymer technology, TopCrete 720 enhances the terrazzo floor's performance and opens up new possibilities.

Compared to resin-based terrazzo, TopCrete 720 offers a flooring solution that is suitable for interior as well as exterior applications while also being more cost effective and environmentally friendly.
